

THESE RESTRICTIVE COVENANTS, made and published on this 1st day of August, A.D. 1976, by CROOKED BRANCH, INCORPORATED.

WITNESSETH: THAT, WHEREAS, said CROOKED BRANCH, INCORPORATED, is the owner of the parcel of land situate, lying and being in Hamilton County, Florida, being more particularly described as:

See attached Exhibit "A".

The above property description is designated in the recorded plat of Crooked Branch, Incorporated, a subdivision of a portion of Sections 14 and 23, Township 1 South, Range 14 East, Hamilton County, Florida, recorded at Plat Book 2, pages 34 and 35 of the Official Records of Hamilton County, Florida.

WHEREAS, it is the interest, benefit and advantage of CROOKED BRANCH, INCORPORATED, and to each and every person who shall hereafter purchase any portion or parcel of the above-described property that certain restrictive covenants governing and regulating the use and occupancy of the same be established, set forth and declared to be covenants running with the land.

NOW THEREFORE, for and in consideration of the premises and of the benefits to be derived by CROOKED BRANCH, INCORPORATED, and each and every subsequent owner of any of the above-described property, said CROOKED BRANCH, INCORPORATED, does hereby set up, establish, promulgate, and declare the following restrictive covenants to apply to all of said lots and to all persons owning said above-described property, or any of them hereafter; these restrictive covenants shall be effective immediately and run with the land and shall be binding on all persons claiming under and through CROOKED BRANCH, INCORPORATED, until 1 January, 1996, at which time said covenants may be revised or kept the same as herein set

forth, but, in any event, the said covenants shall be thereafter extended for a period of twenty (20) years and further extended for a period of twenty (20) years at the end of each successive twenty (20) year period and the said covenants are as follows:

1. LAND USE AND BUILDING TYPE. No lot shall be used for other than residential purposes. No building shall be erected, altered, placed, or permitted to remain on any lot other than one detached single-family dwelling, not to exceed two and one-half stories in height and a private garage. However, a small temporary, architecturally approved building for the purpose of storing tools and equipment may be permitted until a dwelling is erected on the lot.

2. ARCHITECTURAL CONTROL. No building shall be erected, placed or altered on any lot until the construction plans, specifications and a plan showing the location of the structure have been approved by the grantor, his heirs, assigns, or appointees, as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation and as to compliance with the requirements of paragraph number 3, below.

3. DWELLING, QUALITY, AND SIZE. No dwelling shall be permitted on any lot in a size of less than 700 square feet in heated area, exclusive of one-story open porches and garages. It is the intention and purpose of the covenant to assure that all dwellings shall be of a high quality of workmanship and materials.

4. BUILDING LOCATION. No building shall be located on any lot nearer to the front line or nearer to the side street line than the minimum building setback lines as described herein. In any event, no building shall be located on any lot nearer than thirty (30) feet to the front lot line, or nearer than fifteen (15) feet to any side street line. No building shall be located nearer than ten (10) feet to

an interior lot line. Rear yards will be at least fifteen (15) feet from dwelling to rear lot line. For the purposes of this covenant, eaves, steps, and open porches shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot. The setback lines as indicated hereinabove may be varied as required to make allowance for any unusual geometric size of a lot or for any good cause shown. Requests for waivers of the setback lines set forth hereinabove shall be made by application to the grantors herein, or their successors or assigns.

5. NUISANCES. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

6. TEMPORARY STRUCTURES. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, mobile home or other out-building shall be used on any lot at any time as a permanent residence. Temporary structures such as tents, motor homes, etc., may be used on a limited basis until a permanent structure is constructed. However, the temporary structures are to remain only while occupied and shall be removed between visits. Permanent concrete and chain link dog runs are permitted provided they have a septic tank and are concealed from view.

7. SIGNS. No sign of any kind shall be displayed to the public view on any lot, except one name sign of not more than one square foot, one sign of not more than five square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.

8. LIVESTOCK AND POULTRY. No animals, livestock, or poultry of any kind shall be permanently raised, bred or kept on any lot, except that four (4) dogs, two (2) cats, and one (1) horse per member of each household, and other

household pets may be kept while the home is occupied, provided that they are not kept, bred or maintained for any commercial purpose.

9. GARBAGE AND REFUSE DISPOSAL. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall be kept in sanitary containers. All equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

10. TERM. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty (20) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of twenty (20) years, unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

11. ENFORCEMENT. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violating or to recover damages.

12. SEVERABILITY. Invalidation of any one of these covenants by judgment or court order shall in no wise effect any of the other provisions which shall remain in full force and effect.

13. MISCELLANEOUS. Under no circumstances are mobile homes permitted on any lot for any purposes. Any construction by the owner of any lot shall be completed within one year from the start of said construction. No person may occupy any dwelling in which the external surfaces are not complete and to which water and septic tanks are not connected. Only underground electric service to each building utilizing electricity shall be permitted.
